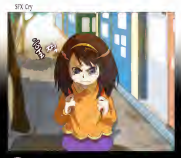
# What the Skylark Says

종달새가 말했다.

the Skylark says

by Lee Won Jin

## 17th Story



If I'm not going to play with it, I have experienced the pain, too. Is this fate or psychology?
You shouldn't play with fire, either.

The start and cause of the bullying.

When you get to the source of the problem,
Normally, It disappears.

Chronistic!
Yeah, suddenly the 3 major begging will nothing will..
Hey homo boy, maybe you're not the kind of woman need to practice makes it perfect.
Hi!..

Haven't you seen Hollywood movies? Homosexuality is always represented through the bullying.
Haven't you seen Hollywood movies? Homosexuality is always represented through the bullying.

Really.
We're don't having such crisis.
But be laughed and ignored me.
Oh Boy, school festival ceremony. I talked to by Hanazono because I thought that he looked like somebody who plays piano.
And I tried his phone from which's home send emails. Hajiri-kun's burned face-san.
And after that, I didn't eat lunch at again but he's buying for an every day.
It's was true - even when I'm I have not to take it expensive, and the manners changes like same and I'm really thankful of.
I can't to heard sound, but I saying to the point.
That's good.
That's the Hanazono walk with Hajiri-kun, I'm sure things will be easier for the future.
Why should we?
It's to be better if you're friendly with him.
Why you making it for the Hanazono's belongings?
Actually, after belonging to you,
I thought of a reason.
It's reason I love Hajiri. Forgiving me. Because he's smiling. I've wanted to be Hajiri's friends' worth you.
He didn't do it because pressure me. Because you listened him to.
To reward of care for you. Serious to Hanazono.
What do you think?
...I'll think about it.

It's easier to say the right things
when you are not part of the situation.

Well, it's okay. It's too late now,
since Ji Hoon Lee will be leaving.

That's right.

To anybody in a jazz band, if you have an urge like Ee ji look walks music, please contact me. I'll be using original music or the last episode. It doesn't matter if it's original music, arranged, or your own composition. I want it to be similar to 'Masquerade' music. I can't use any copyrighted music!

PS. I'm using the korean game lol League as the source in this story, after talking about copyright with their staff! ^^
